Prospect 1: John Johnson

To: JohnJ32009@gmail.com
Subject: John, April Virtual Camp for Class of 2027 closes soon

Hi John,

I wanted to personally reach out because as a Class of 2027 athlete, this is a great chance to get evaluated and seen without traveling.

Field IQ Virtual Camps are built for athletes who want real evaluation, real feedback, and real exposure without needing to travel.

This camp also helps strengthen your profile in our national database, where your evaluation has the potential to be seen by 1,300+ college coaches across 120+ programs.

Here is what you will get:
- Position-specific drill breakdown
- Film evaluation with detailed feedback
- Measurables review (40, shuttle, vertical, etc.)
- Honest coaching insight on how to improve now
- Real exposure to college programs through our network

April Camp registration is closing soon.
This is the smart way to save time and save money while still getting serious recruiting visibility.

This is not a one-time event. We are building a long-term relationship and are here to help with your recruiting needs at every step.

Subject: Javian, April Virtual Camp for Class of 2027 closes soon

Hi Javian,

I wanted to personally reach out because as a Class of 2027 athlete, this is a great chance to get evaluated and seen without traveling.

Field IQ Virtual Camps are built for athletes who want real evaluation, real feedback, and real exposure without needing to travel.

This camp also helps strengthen your profile in our national database, where your evaluation has the potential to be seen by 1,300+ college coaches across 120+ programs.

Here is what you will get:
- Position-specific drill breakdown
- Film evaluation with detailed feedback
- Measurables review (40, shuttle, vertical, etc.)
- Honest coaching insight on how to improve now
- Real exposure to college programs through our network

April Camp registration is closing soon.
This is the smart way to save time and save money while still getting serious recruiting visibility.

This is not a one-time event. We are building a long-term relationship and are here to help with your recruiting needs at every step.

I wanted to personally reach out because as a Class of 2028 athlete, this is a great chance to get evaluated and seen without traveling.

Field IQ Virtual Camps are built for athletes who want real evaluation, real feedback, and real exposure without needing to travel.

This camp also helps strengthen your profile in our national database, where your evaluation has the potential to be seen by 1,300+ college coaches across 120+ programs.

Here is what you will get:
- Position-specific drill breakdown
- Film evaluation with detailed feedback
- Measurables review (40, shuttle, vertical, etc.)
- Honest coaching insight on how to improve now
- Real exposure to college programs through our network

April Camp registration is closing soon.
This is the smart way to save time and save money while still getting serious recruiting visibility.

This is not a one-time event. We are building a long-term relationship and are here to help with your recruiting needs at every step.

To: quincyedwards617@gmail.com
Subject: Quincy, April Virtual Camp for Class of 2029 closes soon

Hi Quincy,

I wanted to personally reach out because as a Class of 2029 athlete, this is a great chance to get evaluated and seen without traveling.

Field IQ Virtual Camps are built for athletes who want real evaluation, real feedback, and real exposure without needing to travel.

This camp also helps strengthen your profile in our national database, where your evaluation has the potential to be seen by 1,300+ college coaches across 120+ programs.

Here is what you will get:
- Position-specific drill breakdown
- Film evaluation with detailed feedback
- Measurables review (40, shuttle, vertical, etc.)
- Honest coaching insight on how to improve now
- Real exposure to college programs through our network

April Camp registration is closing soon.
This is the smart way to save time and save money while still getting serious recruiting visibility.

This is not a one-time event. We are building a long-term relationship and are here to help with your recruiting needs at every step.

Hi there,

I wanted to personally reach out because as a Class of 2028 athlete, this is a great chance to get evaluated and seen without traveling.

Field IQ Virtual Camps are built for athletes who want real evaluation, real feedback, and real exposure without needing to travel.

This camp also helps strengthen your profile in our national database, where your evaluation has the potential to be seen by 1,300+ college coaches across 120+ programs.

Here is what you will get:
- Position-specific drill breakdown
- Film evaluation with detailed feedback
- Measurables review (40, shuttle, vertical, etc.)
- Honest coaching insight on how to improve now
- Real exposure to college programs through our network

April Camp registration is closing soon.
This is the smart way to save time and save money while still getting serious recruiting visibility.

This is not a one-time event. We are building a long-term relationship and are here to help with your recruiting needs at every step.

I wanted to personally reach out because as a Class of 2028 athlete, this is a great chance to get evaluated and seen without traveling.

Field IQ Virtual Camps are built for athletes who want real evaluation, real feedback, and real exposure without needing to travel.

This camp also helps strengthen your profile in our national database, where your evaluation has the potential to be seen by 1,300+ college coaches across 120+ programs.

Here is what you will get:
- Position-specific drill breakdown
- Film evaluation with detailed feedback
- Measurables review (40, shuttle, vertical, etc.)
- Honest coaching insight on how to improve now
- Real exposure to college programs through our network

April Camp registration is closing soon.
This is the smart way to save time and save money while still getting serious recruiting visibility.

This is not a one-time event. We are building a long-term relationship and are here to help with your recruiting needs at every step.

Subject: Henry, April Virtual Camp for Class of 2027 closes soon

Hi Henry,

I wanted to personally reach out because as a Class of 2027 athlete, this is a great chance to get evaluated and seen without traveling.

Field IQ Virtual Camps are built for athletes who want real evaluation, real feedback, and real exposure without needing to travel.

This camp also helps strengthen your profile in our national database, where your evaluation has the potential to be seen by 1,300+ college coaches across 120+ programs.

Here is what you will get:
- Position-specific drill breakdown
- Film evaluation with detailed feedback
- Measurables review (40, shuttle, vertical, etc.)
- Honest coaching insight on how to improve now
- Real exposure to college programs through our network

April Camp registration is closing soon.
This is the smart way to save time and save money while still getting serious recruiting visibility.

This is not a one-time event. We are building a long-term relationship and are here to help with your recruiting needs at every step.

Subject: Tyler, April Virtual Camp for Class of 2027 closes soon

Hi Tyler,

I wanted to personally reach out because as a Class of 2027 athlete, this is a great chance to get evaluated and seen without traveling.

Field IQ Virtual Camps are built for athletes who want real evaluation, real feedback, and real exposure without needing to travel.

This camp also helps strengthen your profile in our national database, where your evaluation has the potential to be seen by 1,300+ college coaches across 120+ programs.

Here is what you will get:
- Position-specific drill breakdown
- Film evaluation with detailed feedback
- Measurables review (40, shuttle, vertical, etc.)
- Honest coaching insight on how to improve now
- Real exposure to college programs through our network

April Camp registration is closing soon.
This is the smart way to save time and save money while still getting serious recruiting visibility.

This is not a one-time event. We are building a long-term relationship and are here to help with your recruiting needs at every step.

I wanted to personally reach out because as a Class of 2028, LB athlete, this is a great chance to get evaluated and seen without traveling.

Field IQ Virtual Camps are built for athletes who want real evaluation, real feedback, and real exposure without needing to travel.

This camp also helps strengthen your profile in our national database, where your evaluation has the potential to be seen by 1,300+ college coaches across 120+ programs.

Here is what you will get:

- Position-specific drill breakdown
- Film evaluation with detailed feedback
- Measurables review (40, shuttle, vertical, etc.)
- Honest coaching insight on how to improve now
- Real exposure to college programs through our network

April Camp registration is closing soon.
This is the smart way to save time and save money while still getting serious recruiting visibility.

This is not a one-time event. We are building a long-term relationship and are here to help with your recruiting needs at every step.
